

This activity, made by foot, is a nice way to discover the city and to get in touch with its friendly local's. Goals: All the participants will discover most of the city on foot. They will be given instructions about the way to follow. During the activity the teams will combine the pleasure of photgraphy with diferent games and tasks all to make this walk even more fun. Our staff will be present in different strategic points always ready to answer questions and guide the participants. Challenges: There will be a limit of 10 pictures, from which 8 will be designated (specific monuments or poses) and 2 to be chosen by the team. Each picture will be the result of team work, they will have to determine together when and how they will take. Itinerary: Briefing at the Gonçalo Cristóvão Street, passing by Capela das Almas, Café Majestic, Market square Bolhão, Praça da Liberdade, S. Bento Stations, Sé Cathedral, Ribeira (riverside), Port Wine Cellars (Gaia). Includes: Road-Books (Covers, road-book, map of the city and pen). Organisation, staff at the check points with radio communication, "spy" staff. Polaroid Cameras (1 per team).
